High School Juniors/Seniors at Semester 1 Awards, Jan. 2024

A Note from the Principal

Thank you to everyone who supported our students at their Semester 1 Awards Assembly. We had a wonderful time awarding each child for the special ways in which they contribute to our school community. We are so proud of each one of them and the light that they bring to this campus.

January also brought a new sporting event, in the form of a Warrior Powerlifting Meet.

Our Junior High and High School Powerlifting team participated in a practice meet to prepare for their upcoming competition this February in Bakersfield. It was a great turn out and a lot of fun!

Candlemas Tradition for all FCA Families!

Thursday, Feb 15th
5:30pm at Warrior Park

Candlemas is celebrated in February and marks the return of light, a symbol of protection and prosperity. This Christian festival commemorates the presentation of Jesus at the Temple of Jerusalem, referring to him as the light of the people of Israel. Students and their families will meet in the evening to light candles and rest them on greenery to signify Jesus being our light and salvation.

The students will be making candles at school. Parents are welcome to bring a candle of their own to lay on the greenery.
