Lantern Walk Preparations, 2023.

## A Note from the Principal

To all of you who were able to attend our first annual Lantern Walk at Warrior Park, thank you for letting your light shine! It was a beautiful sight to behold as everyone walked about the park with loved ones and lanterns in tow. The instrumental music in the background added to the whimsical ambience of the night.

Tradition is a very important aspect of life, no matter the age. Traditions are a chance for us to be present. Traditions are where memories are made and love is shared. It is a powerful feeling to be in the presence of a loving, like-minded community. Nights like those are strength for the spirit and gifts from our Heavenly Father.

## Winter Concert Dec. 13th

This year, our drama classes have been working on a theatrical production called "The Gifts of Christmas." The drama students will be showcasing the skills and techniques they have learned in class for this event. Drama plays a huge role in education as it teaches children valuable skills of public speaking, improvisation, social cues, understanding and learning new vocabulary, and so much more! The classes that are not in drama will be singing songs in between scene changes. It is a night we are looking forward to and we hope to see you there!

*See attached flyer above for details.*
